ORACLE

2004

Wakefield High School
Wakefield, Massachusetts

“The journey in between what you once were and who you are becoming is where the dance of life really takes place.”-Barbara De Angelis

To the Class of 2004,

Throughout the last four years, we have endured one of the most strenuous journeys of all; high school. It is defined by many as an immense period of growth and discovery. One enters as a naive freshman, and leaves, as we soon will, as a mature adult. The path to self-discovery is filled with experiences and life lessons that mold us into the people which we have become. As a class, we have experienced war, terrorism, discrimination, and death. However, we have also experienced those things which make high school memorable and worth looking back on. It is crucial to reminisce on the friendships, laughter, fun times, and growing up, which we have all shared. Each one of these experiences within the last four years have had a critical impact on our lives, and will continue too as we proceed into the future. So, we've succeeded! We have been the star athletes, the breathtaking musicians, the AP scholars, the actors and actresses, the artists, and the best of friends for the last four years. Now, our time has come. We are being instructed to leave behind all we have known and venture into the world of adulthood. For many of us, it will be a true test of character, yet more so, a test of how we will withstand in the real world after experiencing what we have thus far. For each one of us, we stand before a door of opportunity. The chance to be your own person and succeed to your greatest ability awaits us. It has been an honor to be a member of this class. Each one of you has affected my life, as well as each other's, in various ways. The graduating class of 2004 will not be forgotten and will most certainly be missed. Thank you and best wishes in the future!

Sincerely yours,
Editor in Chief:
Cori Butler

The 2003 Wakefield Warrior football season was one filled with plenty of emotion. The Warriors started off the year with a non-league loss against Chelmsford, but bounced back with a win against Tewksbury the following week. The team went 4-5 in the Middlesex league with wins over Belmont, Watertown, and a memorable overtime victory against Stoneham. The Warriors ended the season in style as they beat their longtime rivals Melrose on Turkey Day, continuing an 11-year winning streak against the Red Raiders.

The team finished third in the Middlesex league with defeats over rival teams Melrose and Woburn. Adding to the victorious season was qualification for the sectional competition. The team consisted of five all-stars, as well as six qualifiers for the individual state championships. Best of luck to the graduating seniors and to the upcoming 2004-2005 team.

Wrestling

The 2004 Wakefield Warrior wrestling team was led by captains Clinton Graves (171 lbs.) and Anthony Lauria (119 lbs.). The warriors made the most of their season even though they did not fill all of the weight classes, winning several dual meets against Belmont, Reading, and Melrose. At the Middlesex League meet they finished in fourth place, only one point behind Winchester, with champions Anthony Lauria (119 lbs.), Devin Brown (145 lbs.), and James Copenhaver (160 lbs.). Other finishers included Clinton Graves (3rd) and Zach Jenkins (2nd).

In the 2003-2004 indoor track season the boys team had three wins and six loses. The three wins came against Belmont, Watertown, and Melrose. This team was led by senior Captain Tom Treacy and other senior Alex Tripodi. Tripodi gave us strong efforts in the 300 and the 600 with times of 42 seconds and 1:45. Treacy was one of four individual qualifiers for the state meet. He qualified for the mile and the two-mile with times of 4:53 and 10:22. The other qualifiers were sophomore Mark Fiore in the high jump with a height of 5'9", sophomore Nick Guletsky in the 300 with a time of 39.9, and freshman Adam Kuks in the 45-meter dash with a time of 5.4. We were also fortunate to have the 4x200 relay team qualify for the state meet. The team in order of handoffs is Guletsky, Kuks, sophomore Brian Remick, and junior Mike Crusco. All of these qualifiers are representing WHS and the Middlesex League at the Reggie Lewis indoor track for the Class C state meet. Thanks to the 2003-2004 trackmen for a great indoors season.

This year the girls track team had a winning season under the leadership of captains Kristen Coraccio, Caleigh Fitzpatrick, Kaitlyn Carbone, and Katy Farrell. The season ended with a record 7-2. There were many close meets and everyone tried their best. Several of our star athletes, Kristen Coraccio, Caleigh Fitzpatrick, Heather Beninati, Sarah Merullo, and Lindsay Arnold moved on to States. Good luck to next year's team. There is one saying that made this season great: the sound of Mr. Duff's voice yelling, "Give me a W!"

Its been an awsome year! We have so many things to be proud of; football games, UDA camp, exhibition and especially getting 3rd place in the New England competition! It was a lot of hard work, but all of the memories we have and friends we've made makes it all worthwhile. Good luck in the upcoming 2004 season!

To the Wakefield High School Class of 2004 :

Congratulations to each and every one of you – the WHS Class of 2004 ! You are about to take the next step in your part of lifes journey. Many changes are ahead of you and change can be unsettling; but you will find that new experiences and new challenges can be exhilarating and exciting.

I have been extremely pleased with how you have represented yourselves, our school, your families and the community of Wakefield. You have responded to parking problems, hat rules, evacuations, and high expectations with enthusiasm, patience, lots of laughs and smiles, and a willingness to give your time and energy. You have set the bar very high for the next senior class and I thank you for doing so.

As you close your time at Wakefield High School, I hope you will take some time to remember all those who have helped and supported you as you arrive at these crossroads. Make sure you say thank you or I love you to parents, guardians, grandparents, brothers and sisters, favorite teachers, coaches and advisors, special adults, and your group of friends. These important people have helped you accomplish this goal and deserve your attention.

The world outside of Wakefield can be exciting and challenging, but you are ready. Use the values you've learned with us to guide your way. Do what you know is right, regardless of how difficult that might be. GOOD LUCK.

A handwritten signature in cursive script that reads "Gary. Rook".

LAURIE BUCKLEY

Laurie, you have brought so much joy to our lives. From the day you were born, through teething and sleepless nights, to watching you on the court and following the ball out of the park, twirling your flag as you march across the field, what memories you have given us. We both will miss it all but we know there is so much more that we will enjoy. Just seeing the accomplishments you have already made, we know you will accomplish so much more. Always keep your head high, enjoy, smile and you can have it all. We are so proud of you and we love you very much!

Love, Mom and Dad

Rod Lai-

You started out high school with a determination to achieve your own designated goals. I watched you steadily and tenaciously pursue them. First you practiced clarinet day in and day out. You made NE District in your initial attempt, next you got into NEC's MYWE, and finally you made it into NEC's Youth Philharmonic Orchestra this year.

Then you worked hard to make your academics solid. Within three years, you rose steadily to join the top 10% of your high school class.

For your college applications, you were determined to get the highest rank for the SAT, you raised your score 220 points the first time and 120 the second time. This was accomplished amidst your hectic and intensive schedule of marching band and jazz band competitions. Big feat is an understatement.

Your determination to stand tall when you failed, to adhere to your goals, and to rise above your own frustration reaffirmed our beliefs. Thank you, our son, for making us humble with your being so brave. We could not be more proud!

Mom and Dad .

I couldn't be prouder of you, little buddy! Love, M

My little brother is the best brother in the world because, 1) he smells good and washes regularly 2) he doesn't brag about the things he does not the least of which is smelling good and washing regularly, 3) he plays a mean clarinet that smells good and is washed regularly, 4) he has good taste in films, particularly the films where characters smell good and wash regularly (exception: Cast Away), and 5) lastly and most importantly, he has the best older brother in the world who tends to write weird blurbs about smelling good and washing regularly. -Clarence
